

# SUMMER TENNIS CAMPS

## WITH TOTAL TENNIS

Total Tennis is delighted to offer grass roots tennis coaching for children during the summer holidays. The coaching will take the form of 1 ½ hour daily sessions over 5 days, introducing the children to various strokes throughout the week, breaking each shot down into several easy stages. The players will be exposed to technical stroke play and fun games.

On the last day all players will compete in a fun tournament and all will receive Total Tennis Certification. The classes are being run at several venues across Scotland and the coaches are all certified and fully qualified. It's a fun week of tennis, aimed at bringing in new players to the game

All camps cost £35 for the 5 day course or £30 if the player is a member of the host club. To register for your selected 2007 camp, please tick the required box & complete the player's details.
