I would appreciate if every parent could please register his or her child online with the Lawn Tennis Association. Membership is free (for all club members) and it allows the player to get points for every match they pay and lets the club to tap into club funding and gives all members access to Wimbledon tickets. It also lets the LTA know which coaches are active in each area. It only takes a few minutes and is much appreciated. Please register the club and coach if possible (my coach code is C0019431)
